

## GENERAL RULES ARE GIVEN FOR ZONING LAW

Nonconforming Use May Be Extended To Half of Area

### PLANS FOR CHANGES

Outlines Provisions for Public Utility Corporations

The Courier herewith presents the fifth installment of a series of articles giving a condensed summary of the proposed zoning ordinance for Bristol Borough. Two public hearings, April 28th and May 2nd have been announced, at which time the proposed ordinance will be considered by those interested. Believing the public to be keenly interested in the proposed law, the Courier presents this series. It is suggested that all of the series be preserved, as from time to time reference may be made to articles previously published so as to prevent much duplication.

#### ARTICLE VIII

(Continued from Yesterday)

**Section 800. Public Utility Corporations.** This Ordinance shall not apply to any existing or proposed building, or extension thereof, used or to be used by public utility corporations. If, upon petition of the corporation, the Public Utility Commission shall, after a public hearing, decide that the present or proposed situation of the building in question is reasonably necessary for the convenience or welfare of the public.

**Section 801. Nonconforming Buildings or Uses.**

1. **Continuation.** Any lawful use of a building or land existing at the effective date of this Ordinance, or authorized by a building permit issued prior thereto, may be continued although such use does not conform to the provisions of this Ordinance.

2. **Extension.** A nonconforming use may be extended up to fifty (50) per cent of the area occupied by such use at the effective date of this Ordinance; provided that such nonconforming use may be extended more than fifty (50) per cent when authorized as a special exception. Any extension or enlargement shall conform to the area and height regulations of the district in which it is situated.

3. **Changes.** A nonconforming use of a building or land may be changed to a nonconforming use of the same or more restricted classification, if no structural alterations are made therein, provided that such change may include structural alterations when authorized as a special exception. Whenever a nonconforming use of a building or land has been changed to a use of a more restricted classification or to a conforming use, such use shall not thereafter be changed to a use of a less restricted classification.

4. **Restoration.** A nonconforming building wholly or partially destroyed by fire, explosion, flood, or other phenomenon, or legally condemned, may be reconstructed and used for the same nonconforming use, provided that: (a) the reconstructed building shall not exceed in height, area, and volume the building destroyed or condemned; and (b) building reconstruction shall be commenced within one (1) year from the date the building was destroyed or condemned and shall be carried on without interruption.

5. **Abandonment.** If a nonconforming use of a building ceases for a continuous period of one (1) year or more, or if a nonconforming use

## In Six-Week Coma

A SLEEPING sickness victim, Kathleen Frolo (above), 4, has passed her sixth week in a coma at Haynes Hospital, Brockton, Mass. She was stricken with the malady after an attack of measles. Three hundred penicillin treatments have thus far failed to rouse her. Kathleen has developed, passed through, and recovered from chicken pox, as she slept. (International Soundphoto)

## WOMAN, CHILD HURT AS CAR RAMS TRUCK

Bertha and Nancy Stuber, of Bridgewater, Treated At Harriman Hospital

### SEDAN DAMAGE, \$600

CORNWELLS HEIGHTS, Apr. 15 —A woman and a child were injured on Route 13 at Woodbine avenue, here, yesterday at four p. m. The automobile in which they were passengers is said to have run into the rear of a truck. Both vehicles were travelling west on Route 13.

The injured: Bertha Stuber, 37, Bridgewater, abrasions of forehead, X-rays being taken. Nancy Stuber, 22 months, Bridgewater, small cuts of face and both hands.

The two were treated at Harriman Hospital, then returned to their home. According to state police at Langhorne barracks, Gloria Stuber, 18, was driving a sedan, in which the two above-mentioned were riding. The car is said to have struck the rear of a truck operated by Richard Day, 40, Bristol Pike. The driver was unhurt, and according to hospital records, Richard Stuber, eight, and Emma Stuber, 11, riding on the rear seat, were unhurt.

Damage to the Stuber vehicle is listed at \$600, and the truck was slightly damaged. The sedan was towed to a Croymond garage.

## Tells How Social Security Affects Every Family

The program at the weekly meeting of the Exchange Club, in St. James' parish house last evening, was in charge of Nelson Greener, who introduced W. H. Pease, manager of a social security board in Philadelphia.

Mr. Pease spoke on social security, how it affects every family, and the proposed changes now being considered.

Edward Fleming was the presiding officer, and he introduced several guests. Dinner was served by women of the church.

## HOLD AN INVESTITURE FOR A NEW CUB PACK

Prominent Scouting Officials Present For Ceremony At Edgely

### IMPRESSIVE PROGRAM

EDGELEY, Apr. 15 — Approximately 175 gathered Tuesday evening in the new Headley Manor Fire Co. station, to witness investiture of new Cub pack of troop 39.

Prominent Scouting officials were present to witness this event, including Charles Folk, field executive of Bucks County; Charles Ralmer, district commissioner; James Harris Jr., chairman of organization in lower Bucks County; James Harris Sr., Sheridan Metz and Carl Foell, Scout Master of Troop No. 39. On the platform in a body were the Cub Scout committeemen, Chairman, Stanley Dick; Cub master, William Kuhn; assistant Cub master, Winfield Bantom; personnel man, Leo Gould; secretary and treasurer, Lester Mabery; committeeman, Edward DeKoyser; and institutional representative, Edward Blusiewicz.

Mr. Blusiewicz introduced the new assistant Cub master, Mr. Bantom, who called the roll of cubs and parents present. Stanley Dick, chairman, received the charter for the Pack, who then presented it to Ralph Lincke, president of Edgely Fire Co. the institution assuming the sponsorship of the cubs.

J. Muller, master of Cub Pack No. 69, Croymond, conducted the investiture of the following cubs: Den I, Den Mother, Mrs. Joseph P. Ward; assistants, Mrs. William Kuhn, Mrs. William Fintan; Cubs, "Eddie" DeKoyser, Lee Bintliff, William Kuhn, Patrick Ward, "Billy" Firman, Robert White, Chief "Bobby" Mannherz, Den II, Den Mother, Mrs. Joseph Haines; assistant, Mrs. Edward Blusiewicz; Cubs, Edward Blusiewicz, "Tommy" Brown, "Billy" Cross, Joseph Haines, George Hoefle and "Kenny" Worthington, den chief "Jimmy" Lake. Den III, Den mother, Mrs. Lester Mabery; assistant, Mrs. Leo Gould, Cubs, G. Kaechlin, Warren and Dale Fisher, "Kenny" Young "Dick" Mabery, John Baker, Donald Irons, Richard Hook, "Jimmy" Lake, and den chief, "Bobby" Hook. Den IV, Den mother, Mrs. Clarence Kay; assistant, Mrs. Winfield Bantom; Cubs, Ronald Bantom, Donald Eppley, Clifford Harrison and Clayton Kay, den chief, "Billy" Smyrl.

The new cubs filed into the room to join Troop No. 69 members who were in ceremonial Indian dress grouped around the camp fire. As the boys filed in they formed a circle around the group, each boy dropping his twig upon the fire, symbolic of becoming part of the group. Mr. Muller called for the parent of each boy to stand behind the child and cubs received through their parents membership cards and Bob-cat pins.

## RE-BUILT EDDINGTON CHURCH TO RE-OPEN

New Rector, Stanley Powell, Is Soon To Be Installed There

### 1ST SERVICES, EASTER

EDDINGTON, Apr. 15 — With Christ Episcopal Church having been re-built, after the main edifice had been closed since May, 1947, it will be used again for services on Easter Sunday. Plans are also announced for installation of a rector soon.

Stanley Powell is to be installed as rector of Christ Church upon his graduation from Virginia Theological Seminary in June. Mr. Powell will be present on Sunday to meet members and friends of the congregation, services being announced for eight and 11 a. m., with recital on the new electric organ starting at 10:45.

The original church was built in 1844. With the building being condemned a couple of years ago, the walls were demolished and then re-built, with steel structural ties supporting the roof.

The church has been replastered inside and out, new floors and new ceiling placed, special attention being paid to the acoustical attributes of the latter.

Dr. Russel Francis, of the faculty of the University of Pennsylvania, Philadelphia, will deliver the sermon at this first service on Sunday.

## Spring Hath Sprung!

(By "The Stroller")

The girls are jumping rope, the boys are shooting marbles; young fry in general are playing handball and baseball.

## SCOUT COUNCIL TO OPEN TRAINING SEASON

Classes To Be Conducted In Two Areas Starting April 26th

### TO USE SIGHT METHOD

A series of training experiences for scoutmasters, assistants, and troop scouts will be conducted by the Bucks County Council Boy Scouts of America in two areas beginning on Tuesday April 26th at the Salem Reformed Church in Doylestown, and Thursday, May 5th, at the Parkland Scout Hall. The Training Groups will be under the leadership of Harold Hamilton in the Doylestown Area and Robert Meyers in the Parkland Area. The Doylestown Group will include men from Lenape, Perkiomen, Tolkicon and Delaware River District. The Parkland Group will include men from Lower Bucks, Delaware Valley and West Bucks Districts. The Leaders will be assisted by a group of well trained Scouters of the Council.

The training experience work is an entirely different approach to the training of Scout Leaders. A Visual Education method will be used which will guide the men along national standards of Troop Operations. All Scouters of present units and men who are interested in learning how to conduct Boy Scout Troops are invited to take part in the new training experiences.

Mrs. Norval Richardson of Gardenville has accepted the chairmanship of the Ladies Committee for the Annual Meeting of the Bucks County Council which will be held on Saturday, April 23rd. Mrs. Richardson will be assisted by a Committee made up of the wives of District Chairmen of the Council. This committee is planning a series of most interesting visits to points of interest.

## Best-Beloved Fairy Tale Will Be Staged Locally

The enchantment of one of the world's best-loved fairy tales will be brought to the footlights of the Grand Theatre on May 6th, when the New York cast of the Clare Tree Major Children's Theatre presents "Hansel and Gretel."

Few stories can claim as wide an appeal to all ages as this legend of such antiquity that even the scholarly Grimm brothers hesitated to guess the century in which it might first have entered the repertoire of the ancient story-tellers. One thing is certain, the story fascinates the imagination today as much as it did during the centuries when it was related by word of mouth from generation to generation.

It is still one of the most widely read stories throughout the world, and has been produced as an opera, a ballet, a marionette show, an English pantomime and as a straight dramatic play.

It is as a play that "Hansel and Gretel" will be seen here. It is one of the six all-time favorites chosen to celebrate the 25th anniversary of the founding of the Clare Tree Major Children's Theatre of New York, N. Y., the only professional theatre of long-standing devoted exclusively to the entertainment of children.

"Hansel and Gretel" will be presented here under auspices of Sisterhood of Ahavath Achim. The play will begin at 10 a. m.

## PAINTING CONTRACTS AWARDED FOR SCHOOLS

For Eddington and Cornwells; Board Considers Additional Taxes

### REPORTS RECEIVED

CORNWELLS HEIGHTS, Apr. 15 —Directors of Bensalem township school district had a busy evening when they met in the high school on Wednesday evening. Opening of painting bids; possibility of imposing additional taxes; receipt of health reports, and many other matters were up for consideration. Robert B. Vansant presided, the only absentee being Harry West.

William Haldeman will, on the 23rd of April, test capacity of the pump and well at the present high school site. Attention of the directors having previously been called to possibility of securing a steel building for temporary use on the new high school field, this matter was discussed, but decision made not to buy.

Work on the baseball diamond on the Hansell field has been delayed owing to the fact the ground is too moist, it was reported to the board. The directors gave preliminary consideration to possible imposition of amusement and trailer taxes in the township.

Bids for painting Eddington and Cornwells buildings were opened, successful bidder being John Burns, Bristol. The Eddington building is to be painted on the interior and exterior; and at the high school several rooms will be painted, and one coat of paint applied to the exterior.

Calendars for April were distributed, and some high-lights considered. Several adjustments were passed by the board for the high school annex, which it is expected will be completed in May.

Two second violations of the compulsory attendance law were referred to a justice of the peace.

## BURGLARS FORCE ENTRANCES INTO FOUR STORES HERE

Glass Broken Out of Doors In Commercial Building, Bristol Terrace

### SOME CASH IS TAKEN

Some Merchandise May Also Have Been Taken

Two stores in the commercial building at Bristol Terrace I, Beaver Dam Road and Magnolia Road, were robbed and two others were broken into during the night. Early reports indicated that little of value was taken. Glass was broken out of doors and in two instances the burglars were unsuccessful in gaining an entrance.

Glass was broken out of the door in the Safe Food Markets but nothing was taken, according to the manager.

In the Safe Variety Store of which William Cohen is the proprietor, the burglars were unable to gain an entrance. A large glass was broken out of the front door but a heavy iron grating barred entrance to the place. There were also burglar proof locks on the door.

Blood spots were numerous on the door and about the floor showing that someone's hands had been cut. The glass was broken out of the door to the Safe Cut Rate Store and then the lock was unfastened and entrance gained. The cash registers were opened but no money had been left in them. Whether the thieves obtained any merchandise could not be learned until an inventory is taken.

The Safe Cleaners operate in one portion of the Safe Variety Store through which entrance is obtained. Here it is said that about \$30 in cash was taken. It had not been learned early today whether any clothing had been taken or not.

Chief of Police, Joseph Seader, is investigating.

## Delay Start of Spraying 30,000 Acres in County

HARRISBURG, Apr. 15 — The State Department of Agriculture delayed today start of spraying with DDT of 30,000 acres in Bucks county found infested with gypsy moth.

Secretary Miles Horst ordered airplanes scheduled to start spraying the insecticide on Monday to remain on the ground until further orders. Horst said he took the step because of a Senate resolution asking for a certified statement that no harm would come to animals and humans in the area because of the spraying. The statement, he added, would be given to the Senate next week.

At the same time Horst said "the situation was critical" in Bucks county because the destructive caterpillars of the gypsy moth were now emerging and "delay of only a few days might prove serious."

The infestation in Bucks county was found last October. Four airplanes and a roadside blower were scheduled to operate in spraying the DDT with the expectation that the infestation would be wiped out in a week or 10 days.

Horst said the Bucks county program was similar to work done in the last five years in northeastern Pennsylvania. An area with a population of more than half million persons, he said, was given the same one-pound-per-acre DDT treatment "without any harmful effects."

## Mrs. Michael Scheese Dies At Home in Woodbourne

LANGHORNE, Apr. 15 — Mrs. Catherine Scheese, widow of the late Michael Scheese, died yesterday at her home in Woodbourne after a brief illness. She lived in Woodbourne for the last 15 years.

The funeral arrangements are under the direction of R. L. Horner, of Langhorne. Surviving are four sons, Fred Scheese, Langhorne; Jacob Scheese, Fallsington; and Frank Scheese, Woodbourne; two daughters, Mrs. John Flack and Mrs. Lewis Wiley, of Woodbourne; 13 grandchildren, and one sister, Mrs. Elizabeth Geiss, of South Thomastown, Me.

## Inter-Club Discussion Interests Rotarians

An inter-club discussion on future plans and projects of the Bristol Rotary Club featured the meeting of the club yesterday afternoon when members met in St. James parish house.

The discussions were led by president Warren H. Woodruff and Daumant Kusma.

Guests were present for the meeting from Trenton, N. J.; Ambler, Philadelphia, Bensalem and Eddington.

### Authorized to Acquire More Land for "Crossing" Park

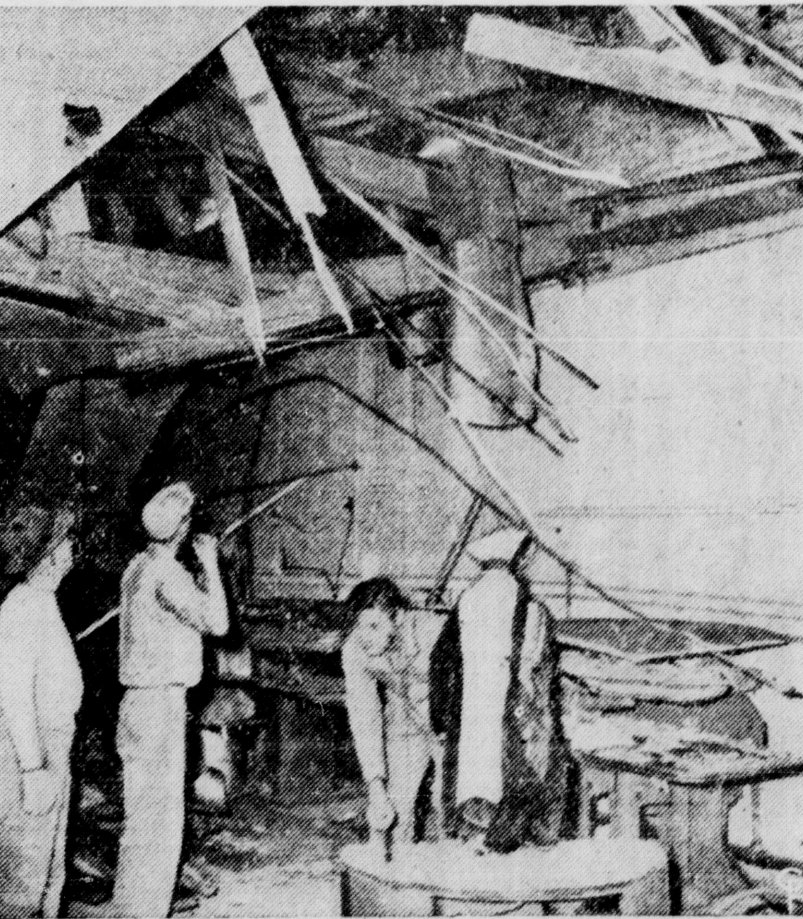

Harrisburg—The Department of Forests and Waters was authorized by new law to acquire additional land for the Washington Crossing Park. The measure was sponsored by Sen. Edward B. Watson (R) Bucks and signed last night by Gov. James H. Duff. It provides for the payment of the land acquisition from funds appropriated to the department. The act is designed to permit expansion of the Park from 500 to 1000 acres. The Governor also signed into law a bill permitting the State Department of Property and Supplies to sell the former Pennsylvania Maritime Academy in Bucks County. The bill, introduced by Rep. Wilson R. Yeakel (R) Bucks, stemmed from the Department's order closing what was Pennsylvania's school for Merchant Marine officers.

## A SUMMARY OF THE NEWS

Russia must be contemplating acts of aggression or she would not protest the North Atlantic treaty, Hector McNeill, British Minister of State, charged in the United Nations General Assembly yesterday. He challenged the Soviet Union to carry its complaint that the pact violated the Charter to the appropriate United Nations organ. Only members of the Soviet bloc attacked the treaty and a proposal for voluntary moderation in the use of the veto in the Security Council. Russia had brought the treaty into the veto debate.

Secretary of State Acheson, in a Pan-American Day address, expressed confidence that forces working for world unity would prevail despite the Soviet Union's opposition.

The Brussels Treaty powers are seeking to control allocation of United States arms to European members of the North Atlantic pact to prevent unilateral sanctions by the United States against the Netherlands because of the Indonesian situation. Secretary Acheson opposed any interference with the freedom of Congress to determine allocation of arms.

Premier Dimitrov of Bulgaria has gone to Russia for his health, Sofia reported. Foreign Minister Kolarov

was believed to have taken over his duties.

Soviet-zone industries in Germany have been authorized to resume trade with the Western sectors of Berlin. The move was attributed to a deterioration of economic and political conditions in Soviet-controlled areas.

Nineteen Nazi diplomats were sentenced to jail for terms ranging from 4 to 25 years by an American tribunal in the final Nuremberg war-crimes trials.

An agreement on Italian fishing rights in Yugoslav waters and on delivery of Italian naval units to Yugoslavia was regarded as paving the way for a trade treaty between the two countries.

Congress passed and sent to the White House authorization of \$5,430,000,000 for the European Recovery Program in the next fifteen months. Secretary Acheson rejected as "unwarranted" and "uncatastrophic" in its effect on this nation's economy a proposal to give China \$1,500,000,000 in military and economic aid.

Senator Taft and two other Republicans introduced a national health bill calling for Federal aid to states as a substitute for the Administration's compulsory insurance

FRIDAY, APRIL 15, 1949

**GOOD FRIDAY**

On Good Friday the true believers and the well instructed will mourn not only for the crucifixion of Jesus as a reality but for their own sins which persuaded Him to submit to death for them.

And so on Good Friday the people are admonished to prepare themselves for proper observance of the true significance of Christ's death. They may read the tenth chapter of St. Paul's epistle to the Hebrews and the nineteenth chapter of the gospel according to St. John. They will lay aside their work at the appointed hour, or at such hour as duty vouchsafes a time for proper meditation, and they will search within themselves for what remains in people today that was in them when the disciples slept and the temple was rent and the earth quaked.

Seeking the spiritual strength which accrues to the faithful in the proper observance of Good Friday has latterly become much more widespread and has been the subject of official proclamation and general encouragement. This manifests the yearning of the people for peace and the tranquility that comes of faith and strength, and in these days of uncertainty it illuminates man's eternal hope for peace.

**STOP THIS WASTE**

In the spending of \$15,000,000,000 a year—the present budget for military purposes—some waste is inevitable and Americans long ago became reconciled to it. But they will not and should not tolerate the kind of extravagance, expense padding, and generally loose business practices revealed in the latest report of the Hoover Commission.

When 10 per cent of the money allocated for defense goes down the drain—that is Mr. Hoover's estimate—there is need not only for a complete overhauling of the whole military establishment but for the closest scrutiny by Congress of every request for appropriations for the Army, Navy and Air Force.

If the same ends now reached can be achieved for \$1,500,000,000 less, definite and immediate steps should be taken to effect the saving.

The Hoover report shows graphically how the taxpayers have been taken for a ride. The Air Force construction program includes the building of 910 family houses in Alaska at a cost of \$58,350 a house and 828 homes on the island of Guam at \$48,000 a house.

The Army asked for funds—at \$100,000 each—to modernize 102 more tanks than it actually possessed. The military budget provided more than \$1,000,000,000 for research and development, despite the fact that "more funds are currently available than can be spent properly."

Presenting these details and others like them, Mr. Hoover was charitable enough to say that "no one man is to blame." But the responsibility lies somewhere, and if Congress is unwilling to investigate the past it ought at least to make sure that this sort of business is prevented in the future.

## Hold An Investiture For A New Cub Pack

Continued from Page One

Stanley Dick presented the den mothers and assistants with their pins and registration cards. The following cubs were presented Wolf badges through their parents: Den I, "Eddie" DeKoyser, "Billy" Kuhn and Robert White; Den II, George Hoefle and "Kenny" Worthington; Den III, "Kenny" Young, Donald Irons, Richard Hook, and "Jimmy" Lake.

The Cub Master presented to Robert White, graduating into Scouting, with his Webelos badge and Scouting handbook. Mrs. William Kuhn presented "Bobby" with a farewell gift of a Scouting ax from

boys in Den No. 1. After the group disbanded the ceremony was turned over to Carl Foell, and "Bobby" was escorted by the senior patrol leader down the candlelight trail into Scouting. On stage at that time were the Scout committeemen, Samuel Helling, Walter Fagans, Albert Smyri, John Kilian, John Baker and Robert Swangler. "Bobby" received his tenderfoot badge and his acceptance into troop No. 39.

Stanley Dick appointed a committee of three, inclusive of Charles Folk, Charles Rainer and James Harris, Jr., to act as judges of the dens to select the outstanding exhibition from among the hobbies, collections and handicrafts which were exhibited. Den No. 2 received the award for outstanding achievements for the month.

"Hot dogs" and soda were served by the den mothers.

Painting Contracts Awarded for Schools

Continued from Page One

The board, which last month had been given copies of the essay report of the visiting committee on school evaluation, discussed the report Wednesday evening. It was translated into what would be called or in way of costs, etc., if the recommendations are implemented.

Health reports were received. The school dentist has completed his examinations of the pupils in odd-numbered grades; and the doctor is nearing completion of his work. The board considered a number of pupil problems.

Fourteen new intermediate grade desks have been purchased to care for the swelling enrollment. There was also presented a report on the trip of the seniors to Washington, D.C.

Directors took time to review a questionnaire which will be used as an opinion poll for parents of pupils. These will be sent to the homes with the pupils during the next few weeks, then returned to the schools. In each questionnaire appear about 30 questions regarding feeling and reaction to the schools.

A Summary of The News

program. Senate debate on the low-cost housing bill was marked by Democratic charges that a Republican anti-segregation amendment was designed to kill the measure.

A labor bill backed by the Republican-Southern Democratic coalition in the House would repeal the Taft-Hartley Law, retaining the major provisions and "softening" some. The House got a bill to create a Columbia Valley Authority.

After having passed a bill providing \$7,576,886.181 for 28 Federal agencies, the House recessed until April 25; the Senate recessed only until Monday.

Senate Republicans, denouncing President Truman's fiscal policies, predicted \$5,000,000,000 in new taxes to avert deficit financing.

The Pennsylvania Railroad asked a 20% rise in commutation fares in the New York-Trenton Division, effective May 15th.

Farmer Has 40 Tons of Carrots; Can't Sell Them

A young farmer in the Carversville section of Bucks County has 40 tons of carrots which he can't sell. He sold 60 bushels of washed carrots last week in Phila., and received \$18. A year ago carrots were bringing \$110 a ton.

Henry Holobeny, whose farm is located on the Carversville Road, near Durham road, says the carrots are about seven or eight inches long, in excellent state of preservation, do not have tops.

They were placed in a pit to preserve them for the winter. They have been covered with straw and about 18 inches of ground on the north side and just about enough earth over them on the south side to keep them from freezing. They are in a pit in a six acre field.

Making a canvass of all the possible markets, including canning shops, where they use them for baby food, canned soups and other odds, Holobeny has been unable to market them. He even contacted a dehydrating plant in Philadelphia, but can't sell them.

Asserting that he has already lost \$2,000, the young farmer said: "Unless I can sell them or give them away I will have to dynamite them out of the ground."

Declaring that he expects to keep them only about two or three weeks longer because he needs the field, Holobeny explained he raises other vegetable and produce crops and hopes he will have better luck.

"I hope I don't run into another earthen on the market like I did with my carrots," he said grimly.

Carrots offered for sale in the markets are mostly from California.

Congregation Donates 609 Eggs To Phila. Mission

MORRISVILLE, Apr. 15—A total of 609 eggs has been sent to Fifth Street Methodist Mission, Philadelphia, by Grace Methodist Church. The eggs are for distribution to the poor in the slum areas of Philadelphia.

This is a yearly custom at the local church. The eggs were taken by members of the congregation to church services last Sunday.

Provides Members With Baskets for Egg Hunt

NEWPORTVILLE, Apr. 15—The Cheerful Workers of Newportville Community Church—Presbyterian, held a meeting in the church basement, Wednesday evening. Prayer was by Mrs. Clifford Ingraham. After business, all sat down to a covered dish supper, the table being decorated in pastel colors with a silver tree decorated with Easter eggs forming the centerpiece. Later, Mrs. R. Perpete, of the entertainment committee, provided each one with a small basket and all joined in an egg hunt, with prizes given to Mrs. A. Romig, and Mrs. Ella Munchback.

All participated in decorating hard-boiled eggs, prizes being given for the best to Mrs. Charles Everett and Mrs. H. Brownback.

The next meeting will be April 27th in the church.

Hudson Motor Co. Cuts Prices on Cars

DETROIT, Apr. 15—The Hudson Motor Car Co. today became the sixth automotive concern to cut its prices in the last two months. Reductions of \$15 to \$100 on various Hudson models go into effect at midnight tonight.

General Motors, Ford, Kaiser-Frazer, Nash and Willys-Overland were the other concerns to slash their prices in recent weeks.

A. E. Barit, president and general manager of Hudson, said in announcing the price cuts:

"Our price reductions are prompted by a desire to help maintain sound business conditions and at the same time to pass along to the public slight savings in certain material costs."

of land ceases for any reasonable length of time for any reason, subsequent use of such building or land shall be in conformity with the provisions of this Ordinance.

**Section 802. Nonconforming Lots.** A building may be erected or altered on any lot held at the effective date of this Ordinance in single and separate ownership which is not of the required minimum area or width or is of such unusual dimensions that the owner would have difficulty in providing the required open spaces for the district in which such lot is situated, provided a special exception is authorized.

**Section 803. Reduction of Lot.** No lot area shall be so reduced that the area of the lot, or the dimensions of the open spaces, shall be smaller than herein prescribed.

**Section 804. Vision Obstruction.** On any corner lot, no wall, fence or other structure shall be erected or altered, nor hedge, tree, shrub, or other growth shall be maintained, which may cause danger to traffic on a street or public road by obscuring the view.

**Section 805. Private Garage; Accessory Buildings.** A private garage or other accessory building which is not a structural part of a main building may be erected in the rear and/or side yards, provided that (a) such building is not more than one story in height; (b) such building is separated entirely from the main building and is located at least ten (10) feet farther back from the front street line than the rear-most wall of the main building; (c) such building is situated not less than three (3) feet from any property line, except that a common or joint garage may be erected on adjoining lots; and (d) that the building area requirements for the district are maintained.

**Section 806. Prohibited Uses.** No lot may be used as a trailer camp, or tourist cabin or automobile court. No building may be erected, altered, or used, and no lot or premises may be used, for any trade, industry, or business that is noxious or offensive by reason of odor, dust, smoke, gas, vibration, illumination or noise, or that constitutes a public hazard whether by fire, explosion or otherwise.

**Section 807. Front Yard Exception.** The front yard of a proposed building may be decreased in depth to the average alignment of existing buildings within one hundred (100) feet on each side of the proposed building, and within the same block, if such alignment of existing buildings is less than the front yard requirement for the district.

**Section 808. Conversion of Dwellings.** The Board of Adjustment may authorize as a special exception after public hearing the conversion of any existing building into a dwelling for more than the number of families permitted in R-1 and R-2 districts, provided that the lot area shall not be reduced thereby to less than two thousand (2,000) square feet per family in R-1 Residence Districts, one thousand (1,000) square feet per family in R-2 Residence Districts, and seven hundred and fifty (750) square feet per family in R-3 Residence, Commercial, and Industrial Districts, and further provided that the yard and building area requirements for the district shall not be reduced thereby. If such exception is authorized the Board of Adjustment may prescribe such further conditions with respect to the conversion and use of such building as it deems appropriate.

### Section 809. Parking Space.

1. Not less than one (1) off-street parking space, with proper access from a street or alley, shall be provided on any lot on which a dwelling is hereafter erected or converted, provided that, for multiple dwellings, not less than one (1) off-street parking space shall be provided for each housekeeping unit.

2. Off-street parking space, with proper access from a street or alley shall be provided in the amounts indicated, on or near any lot on which the following types of uses are hereafter situated, provided that such requirements may be decreased or waived when authorized as a special exception:

(a) Tourist house: One space for

each two (2) guest bedrooms.

(b) Hotel: One space for each four (4) guest bedrooms.

(c) Restaurant, cafe, or tearoom: One space for each fifty (50) square feet of floor space devoted to patron use.

(d) Theater, auditorium, stadium, or other place of public assemblage, except churches: One (1) space for every fifteen (15) seats.

(e) Banks, professional or business offices: One (1) space for each four hundred (400) square feet.

(f) Commercial building or recreational building, other than those specified in a, b, c, d, and e, above: (1) Having a floor area of not more than one thousand (1,000) square feet—no parking space required;

(2) Having a floor area of more than one thousand (1,000), but not more than two thousand (2,000) square feet—one (1) space for each two hundred and fifty (250) square feet, or portion thereof, in excess of one thousand (1,000) square feet;

(3) Having a floor area of more than two thousand (2,000) square feet—four (4) spaces plus one (1) space for each one hundred fifty (150) square feet, or portion thereof.

in excess of two thousand (2,000) square feet.

(g) Industrial establishment: One space for each five (5) employees.

3. Off-street parking facilities existing at the effective date of this Ordinance shall not subsequently be reduced to an amount less than required under this Ordinance for a similar new building or new use. Off-street parking facilities provided to comply with the provisions of this Ordinance shall not subsequently be reduced below the requirements of this Ordinance.

**Section 810. Loading and Unloading Space.** Off-street loading and unloading space, with proper access from a street or alley, shall be provided on any lot on which a building for trade, business, or industry is hereafter erected or substantially altered.

## HULMEVILLE

Boys of grade two, Hulmeville public school, were invited by Gordon Larson, Lincoln Avenue, to attend his 8th birthday anniversary party last evening. The circus provided the theme for the table decorations, favors and refreshments. A pink cake was topped with circus animals. With this was served pink lemonade and ice cream; and the favors were balloons. Prizes for

games were given to Kenneth Boraman and David Linforth. Others attending: Roger Bratby, Harold Ermer, Roger and John Larson.

A visit was paid to relatives here this week by Harry J. Canon, of Norwood.

The director of education, Pennsylvania S. P. C. A., spoke to pupils in Hulmeville-Middletown public school on Wednesday, his subject being "Kindness to Animals." Two

motion pictures were shown, "Kruuger National Park" (in Union of South Africa), and "The Hare and the Tortoise."

Buying a New Car?

# Here's the Most of all you've wanted most

Most Beautiful—that's what millions say about Hudson, for "step-down" design provides perfect proportions, wonderfully symmetrical lines in the lowest-built of all cars, and still preserves full road clearance!

Most Roomy!—amazing head room and the most seating room in any car.

Most Road-Worthy!—the lowest center of gravity in any American stock car, for road-hugging steadiness. You ride down within a base frame, where riding is most smooth, most relaxing, most safe.

Most All-Round Performance—with America's most powerful Six—the new, high-compression Super-Six, or even more powerful Super-Eight, Center-Point Steering, Triple-Safe Brakes, Fluid-Cushion Clutch, Dual Carburetion, Drive-Master Transmission for automatic gear shifting (optional at slight extra cost)—many more high-performance and low-upkeep features that only Hudson brings you in one car!

## Lily Lodge Past Grands Have Dinner In An Easter Setting

Mrs. Harry Hinman, Sr., New Buckle street, was hostess on Wednesday evening to members of the Past Noble Grands Club of Lily Lodge at a turkey dinner party held in the basement of her home. The tables were decorated in keeping with the Easter season and in the center of each was a nest of decorated eggs.

A social time followed with some of the members playing pinochle. Prizes were given.

Those attending: Mrs. Raymond Robinson, Newport Terrace; Mrs. Robert Robinson, Mrs. Walter Ritter, Edgely; Mrs. Jacob Townsend, Pennel; Mrs. Helen Nichols, Tullytown; Mrs. William Claus, Mrs. John Wicher, Mrs. Wilson Black, Mrs. Joseph Elbertson, Mrs. Richard Winslow, Jr., Mrs. Jennie Dietrich, Mrs. Mary Heaton, Mrs. Wilmer Dyer, Mrs. Howard Fennimore, Mrs. William DeVoe, Mrs. Harry Sutton, Jr., Mrs. Horace States, Mrs. Charles Brodie, Mrs. Clarence Hollenback, Mrs. Milton Miller, Jr., Mrs. Irvy Schaffey, and Mrs. William Ker-shaw.

The Club presented Mrs. Hinman with a potted azalea.

side. On Sunday, Mr. and Mrs. Almond and daughter Nancy were dinner guests of Mr. and Mrs. Frank West, Trevoze.

Mr. and Mrs. William Doan, Swain street, Mr. and Mrs. Melvin Houser and children, Lois, Carol and Kenneth, Bath road, spent Sunday at Bordentown, N. J., visiting Mr. and Mrs. Charles Johnson.

Mrs. John Black, Cedar street, entertained members of her card club on Tuesday evening. Prizes were given to Mrs. John Leonard and Mrs. Robert Braker. Refreshments were served.

Mr. and Mrs. Angus Gillies, Jr., and Mrs. Angus Gillies, Sr., East Circle, spent Sunday at Seaside, N. J.

The Auxiliary of Boy Scout Troop, No. 25, held a covered dish supper on Monday evening at the home of Mrs. William Lilley, Linden street. The table decorations were in keeping with the Easter season. The table centerpiece was a decorated Easter basket filled with chocolate eggs, each guest receiving one. Pinochle followed with prizes given to Mrs. Rilla Hunter and Mrs. Amelia Rafferty.

Mr. and Mrs. Herbert Guy and family have moved from Pine Grove street to Edgely.

Mrs. Elizabeth McCoy, Otter street, spent Tuesday at Wildwood, N. J., visiting friends.

## Sportsmen's Briefs

By JOE ELBERSON

No report yet... as this is being written the 1949 Pennsylvania trout season is still hours away. And when it is being read the writer will be miles away... on the Little Bushkill Creek in Pike County... provided we don't run into our usual blessing of rain and high waters.

Whether the first day toll of trout will be light or heavy is still conjecture. This much is certain, however: the Fish Commission has stocked thousands and thousands of legal-sized fish, and there will be thousands and thousands of anglers trying to catch them today.

New world's record... official confirmation of a new world's record for an Alaskan Brown Bear has been given to Bob Reeve of Anchorage, Alaska, for a giant Brownie he killed on May 26, 1948, near Cold Bay.

Weighing 1,800 pounds, with a pel... 12 feet 4 inches in width and 16 feet 4 inches in length, the Brownie was killed with a Model 95 Winchester lever action in 405 caliber. Reeve took two shots at approximately 270

yards with 300-grain soft point bullet to bring down his record breaker. Reeve's first shot broke the animal's left hip and his second penetrated both shoulders and killed the bear instantly.

However, the measurements which qualified the Brownie for the world's record were those of the skull which measured 19 and 1/2 inches in length and 11 and 11/16 inches in width while green. Dry, the skull was 19-3/16 inches by 11 1/2 inches. The skull of the record brown was 1/16 inch longer than that of the previous record holder.

Reeve's record Brownie had an estimated height at shoulder, walking of 5 feet 4 inches and standing on hind legs over 12 feet. Since the bear was taken when he was thin and fresh from hibernation, Reeve's estimate is that the bear might have tipped the scale at 2,200 instead of 1,800 pounds had he been taken at the end of the salmon season.

Reeve received his world's record award in the annual North American Big Game Competition for 1948 from the Boone and Crockett Club, official tabulators of North American Big Game records.

Bib Reeve is a veteran bush pilot whose Reeve Alutian Airways of Anchorage is now in its seventeenth year. With two partners he also owns the Kennedy Hardware Company of Anchorage which is an outfitter and adviser to Alaskan big game hunters. Reeve's Model 95 was purchased from the Kennedy Company in 1945. Bearing the early serial number of 65,395, the rifle was originally shipped on July 14, 1909, from the Winchester factory to the

The 405 Winchester cartridge used by Reeve in taking his huge Brown bear has a 300-grain soft point bullet. It has a muzzle velocity of 2,200 feet per second, and at the 270 yards at which Reeve made his kill, the velocity is approximately 1,500 feet per second and the energy about 1,500 foot pounds.

Club notes... the Morrisville Fish & Game Protective Ass'n. will conduct a fishing contest for the 1949 fishing season. Trophies have been donated by George Case, well known Trenton sportsman and will be contested for in the following class.

(1) The largest trout caught in the open waters of Pennsylvania.  
(2) The largest bass caught in

the open water of Pennsylvania.

(3) The largest edible game fish caught on the New Jersey Coast.

Certified members of the Morrisville Fish & Game Ass'n. are eligible to participate in this contest and it will be necessary to present a sworn statement showing the weight, girth and length of the fish so caught. Contestants may have their catch weighed and measured by contacting John Meszaros, 66 N. Penna. Ave. and Louis Ferraro, 59 N. Penna. Ave.

The committee in charge of this contest are Paul Taylor, chairman, Alan Woolf and Robert Morris.

## GENERAL RULES ARE GIVEN FOR ZONING LAW

Nonconforming Use May Be Extended To Half of Area

### PLANS FOR CHANGES

Outlines Provisions for Public Utility Corporations

The Courier herewith presents the fifth installment of a series of articles giving a condensed summary of the proposed zoning ordinance for Bristol Borough. Two public hearings, April 28th and May 2nd have been announced, at which time the proposed ordinance will be considered by those interested. Believing the public to be keenly interested in the proposed law, the Courier presents this series. It is suggested that all of the series be preserved, as from time to time reference may be made to articles previously published so as to prevent much duplication.

#### ARTICLE VIII (Continued from Yesterday)

**General Regulations**  
Section 800. Public Utility Corporations. This Ordinance shall not apply to any existing or proposed building, or extension thereof, used or to be used by public utility corporations. If, upon petition of the corporation, the Public Utility Commission shall, after a public hearing, decide that the present or proposed situation of the building in question is reasonably necessary for the convenience or welfare of the public.

#### Section 801. Nonconforming Buildings or Uses.

1. **Continuation.** Any lawful use of a building or land existing at the effective date of this Ordinance, or authorized by a building permit issued prior thereto, may be continued although such use does not conform to the provisions of this Ordinance.

2. **Extension.** A nonconforming use may be extended up to fifty (50) per cent of the area occupied by such use at the effective date of this Ordinance; provided that such nonconforming use may be extended more than fifty (50) per cent when authorized as a special exception. Any extension or enlargement shall conform to the area and height regulations of the district in which it is situated.

3. **Changes.** A nonconforming use of a building or land may be changed to a nonconforming use of the same or more restricted classification, if no structural alterations are made therein, provided that such change may include structural alterations when authorized as a special exception. Whenever a nonconforming use of a building or land has been changed to a use of a more restricted classification or to a conforming use, such use shall not thereafter be changed to a use of a less restricted classification.

4. **Restoration.** A nonconforming building wholly or partially destroyed by fire, explosion, flood, or other phenomenon, or legally condemned, may be reconstructed and used for the same nonconforming use, provided that (a) the reconstructed building shall not exceed in height, area, and volume the building destroyed or condemned; and (b) building reconstruction shall be commenced within one (1) year from the date the building was destroyed or condemned and shall be carried on without interruption.

5. **Abandonment.** If a nonconforming use of a building ceases for a continuous period of one (1) year or more, or if a nonconforming use

## WOMAN, CHILD HURT AS CAR RAMS TRUCK

Bertha and Nancy Stuber, of Bridgewater, Treated At Harriman Hospital

### SEDAN DAMAGE, \$600

CORNWELLS HEIGHTS, Apr. 15.—A woman and a child were injured on Route 13 at Woodbine avenue, here, yesterday at four p. m. The automobile in which they were passengers is said to have run into the rear of a truck. Both vehicles were travelling west on Route 13.

The injured: Bertha Stuber, 37, Bridgewater, abrasions of forehead, X-rays being taken.

Nancy Stuber, 22 months, Bridgewater, small cuts of face and both hands.

The two were treated at Harriman Hospital, then returned to their home.

According to state police at Langhorne barracks, Gloria Stuber, 18, was driving a sedan, in which the two above-mentioned were riding. The car is said to have struck the rear of a truck operated by Richard Day, 40, Bristol Pike. The driver was unhurt, and according to hospital records, Richard Stuber, eight, and Emma Stuber, 11, riding on the rear seat, were unhurt.

Damage to the Stuber vehicle is listed at \$600, and the truck was slightly damaged. The sedan was towed to a Croydon garage.

## Tells How Social Security Affects Every Family

The program at the weekly meeting of the Exchange Club, in St. James' parish house last evening, was in charge of Nelson Green, who introduced W. H. Pease, manager of a social security board in Philadelphia.

Mr. Pease spoke on social security, how it affects every family, and the proposed changes now being considered.

Edward Fleming was the presiding officer, and he introduced several guests. Dinner was served by women of the church.

## HOLD AN INVESTITURE FOR A NEW CUB PACK

Prominent Scouting Officials Present For Ceremony At Edgely

### IMPRESSIVE PROGRAM

EDGELY, Apr. 15.—Approximately 175 gathered Tuesday evening in the new Headley Manor Fire Co. station, to witness investiture of new Cub pack of troop 39.

Prominent Scouting officials were present to witness this event, including Charles Folk, field executive of Bucks County; Charles Raimor, district commissioner; James Harris Jr., chairman of organization in lower Bucks County; James Harris Sr., Sheridan Metz and Carl Poell, Scout Master of Troop No. 39.

On the platform in a body were the Cub Scout committeemen, Chairman, Stanley Dick; Cub master, William Kuhn; assistant Cub master, Winfield Bantom; personnel man, Leo Gould; secretary and treasurer, Lester Mabery; committeeman, Edward DeKoyser; and institutional representative, Edward Husiewicz.

Mr. Husiewicz introduced the new assistant Cub master, Mr. Bantom, who called the roll of cubs and parents present. Stanley Dick, chairman, received the charter for the Pack, who then presented it to Ralph Lincke, president of Edgely Fire Co. the institution assuming the sponsorship of the cubs.

J. Muller, master of Cub Pack No. 69, Croydon, conducted the investiture of the following cubs: Den I, assistants, Mrs. Joseph P. Ward; assistants, Mrs. William Kuhn, Mrs. William Bantom; Cubs, "Eddie" DeKoyser, Lee Bintliff, William Kuhn, Patrick Ward, "Billy" Firman, Robert White, Chief "Bobby" Mannherz, Den II, Den Mother, Mrs. Joseph Haines; assistant, Mrs. Edward Husiewicz; Cubs, Edward Husiewicz, "Tommy" Brown, "Billy" Cross, Joseph Haines, George Hoefle and "Kenny" Worthington, den chief "Jimmy" Lake, Den III, Den mother, Mrs. Lester Mabery; assistant, Mrs. Leo Gould, Cubs, G. Kaechlin, Warren and Dale Fisher, "Kenny" Young "Dick" Mack, John Baker, Donald Irons, Richard Hook, "Jimmie" Lake, and den chief, "Bobby" Hook, Den IV, Den mother, Mrs. Clarence Kay; assistant, Mrs. Winfield Bantom; Cubs, Ronald Bantom, Donald Epley, Clifford Harvison and Clayton Kay, den chief, "Billy" Smyrl.

The new cubs filed into the room to join Troop No. 69 members who were in ceremonial Indian dress grouped around the camp fire. As the boys filed in they formed a circle around the group, each boy dropping his twig upon the fire, symbolic of becoming part of the group. Mr. Muller called for the parent of each cub to stand behind the child and cubs received through their parents membership cards and Bob-cat pins.

## RE-BUILT EDDINGTON CHURCH TO RE-OPEN

New Rector, Stanley Powell, Is Soon To Be Installed There

### 1ST SERVICES, EASTER

EDDINGTON, Apr. 15.—With Christ Episcopal Church having been re-built, after the main edifice had been closed since May, 1947, it will be used again for services on Easter Sunday. Plans are also announced for installation of a rector soon.

Stanley Powell is to be installed as rector of Christ Church upon his graduation from Virginia Theological Seminary in June. Mr. Powell will be present on Sunday to meet members and friends of the congregation, services being announced for eight and 11 a. m., with recital on the new electric organ starting at 10:45.

The original church was built in 1844. With the building being condemned a couple of years ago, the walls were demolished and then re-built, with steel structural ties supporting the roof.

The church has been replastered inside and out, new floors and new ceiling placed, special attention being paid to the acoustical attributes of the latter.

Dr. Russell Francis, of the faculty of the University of Pennsylvania, Philadelphia, will deliver the sermon at this first service on Sunday.

## SCOUT COUNCIL TO OPEN TRAINING SEASON

Classes To Be Conducted In Two Areas Starting April 26th

### TO USE SIGHT METHOD

A series of training experiences for scoutmasters, assistants, and troop scouts will be conducted by the Bucks County Council Boy Scouts of America in two areas beginning on Tuesday April 26th at the Salem Reformed Church in Doylestown, and Thursday, May 5th, at the Parkland Scout Hall. The Training Groups will be under the leadership of Harold Hamilton in the Doylestown Area and Robert Meyers in the Parkland Area. The Doylestown Group will include men from Lenape, Perkomen, Tohickon and Delaware River District. The Parkland Group will include men from Lower Bucks, Delaware Valley and West Bucks Districts. The Leaders will be assisted by a group of well trained Scouters of the Council.

The training experience work is an entirely different approach to the training of Scout Leaders. A Visual Education method will be used which will guide the men along national standards of Troop Operation. All Scouters of present units and men who are interested in learning how to conduct Boy Scout Troops are invited to take part in the new training experiences.

## Best-Beloved Fairy Tale Will Be Staged Locally

The enchantment of one of the world's best-loved fairy tales will be brought to the footlights of the Grand Theatre on May 6th, when the New York cast of the Clare Tree Major Children's Theatre presents "Hansel and Gretel."

Few stories can claim as wide an appeal to all ages as this legend of such antiquity that even the scholarly Grimm brothers hesitated to guess the century in which it might first have entered the repertoire of the ancient story-tellers. One thing is certain, the story fascinates the imagination today as much as it did during the centuries when it was related by word of mouth from generation to generation.

It is still one of the most widely read stories throughout the world, and has been produced as an opera, a ballet, a marionette show, an English pantomime and as a straight dramatic play.

It is as a play that "Hansel and Gretel" will be seen here. It is one of the six all-time favorites chosen to celebrate the 25th anniversary of the founding of the Clare Tree Major Children's Theatre of New York, N. Y., the only professional theatre of long-standing devoted exclusively to the entertainment of children.

"Hansel and Gretel" will be presented here under auspices of Sisterhood of Ahavath Achim. The play will begin at 10 a. m.

## PAINTING CONTRACTS AWARDED FOR SCHOOLS

For Eddington and Cornwells; Board Considers Additional Taxes

### REPORTS RECEIVED

CORNWELLS HEIGHTS, Apr. 15.—Directors of Bensalem township school district had a busy evening when they met in the high school on Wednesday evening. Opening of painting bids; possibility of imposing additional taxes; receipt of health reports, and many other matters were up for consideration. Robert H. Vansant presided, the only absentee being Harry West.

William Haldeman will, on the 23rd of April, test capacity of the pump and well at the present high school site. Attention of the directors having previously been called to possibility of securing a steel building for temporary use on the new high school field, this matter was discussed, but decision made not to buy.

Work on the baseball diamond on the Haldeman field has been delayed owing to the fact the ground is too moist, it was reported to the board. The directors gave preliminary consideration to possible imposition of amusement and trailer taxes in the township.

Bids for painting Eddington and Cornwells buildings were opened, successful bidder being John Burns, Bristol. The Eddington building is to be painted on the interior and exterior; and at the high school several rooms will be painted, and one coat of paint applied to the exterior.

Calendars for April were distributed, and some high-lights considered. Several adjustments were passed by the board for the high school annex, which it is expected will be completed in May.

Two second violations of the compulsory attendance law were referred to a justice of the peace.

## BURGLARS FORCE ENTRANCES INTO FOUR STORES HERE

Glass Broken Out of Doors In Commercial Building, Bristol Terrace

### SOME CASH IS TAKEN

Some Merchandise May Also Have Been Taken

Two stores in the commercial building at Bristol Terrace, Beaver Dam Road and Magnolia Road, were robbed and two others were broken into during the night. Early reports indicated that little of value was taken. Glass was broken out of doors and in two instances the burglars were unsuccessful in gaining an entrance.

Glass was broken out of the door in the Safe Food Markets but nothing was taken, according to the manager.

In the Safe Variety Store of which William Cohen is the proprietor, the burglars were unable to gain an entrance. A large glass was broken out of the front door but a heavy iron grating barred entrance to the place. There were also burglar proof locks on the door.

Blood spots were numerous on the door and about the floor showing that someone's hands had been cut.

The glass was broken out of the door to the Safe Cut Rate Store and then the lock was unfastened and entrance gained. The cash registers were opened but no money had been left in them. Whether the thieves obtained any merchandise could not be learned until an inventory is taken.

The Safe Cleaners operate in one portion of the Safe Variety Store through which entrance is obtained. Here it is said that about \$30 in cash was taken. It had not been learned early today whether any clothing had been taken or not.

Chief of Police, Joseph Seader, is investigating.

## Delay Start of Spraying 30,000 Acres in County

HARRISBURG, Apr. 15.—The State Department of Agriculture delayed today start of spraying with DDT of 30,000 acres in Bucks county found infested with gypsy moth.

Secretary Miles Horst ordered airplanes scheduled to start spraying the insecticide on Monday to remain on the ground until further orders.

Horst said he took the step because of a Senate resolution asking for a certified statement that no harm would come to animals and humans in the area because of the spraying. The statement, he added, would be given to the Senate next week.

At the same time Horst said "the situation was critical" in Bucks county because the destructive caterpillars of the gypsy moth were now emerging and "delay of only a few days might prove serious."

The infestation in Bucks county was found last October. Four airplanes and a roadside blower were scheduled to operate in spraying the DDT with the expectation that the infestation would be wiped out in a week or 10 days.

Horst said the Bucks county program was similar to work done in the last five years in northeastern Pennsylvania. An area with a population of more than half million persons, he said, was given the same one-pound-per-acre DDT treatment "without any harmful effects."

## Mrs. Michael Scheese Dies At Home in Woodbourne

LANGHORNE, Apr. 15.—Mrs. Catherine Scheese, widow of the late Michael Scheese, died yesterday at her home in Woodbourne after a brief illness. She lived in Woodbourne for the last 15 years.

The funeral arrangements are under the direction of R. L. Horner, of Langhorne. Surviving are four sons, Fred Scheese, Langhorne; Jacob Scheese, Fallstown, and Frank Scheese, Woodbourne; two daughters, Mrs. John Plack and Mrs. Lewis Wiley, of Woodbourne; 13 grandchildren, and one sister, Mrs. Elizabeth Geiss, of South Thomas, Pa.

#### Inter-Club Discussion Interests Rotarians

An inter-club discussion on future plans and projects of the Bristol Rotary Club featured the meeting of the club yesterday afternoon when members met in St. James parish house.

The discussions were led by president Warren H. Woodruff and Daumant Kusma.

Guests were present for the meeting from Trenton, N. J.; Ambler, Philadelphia, Bensalem and Eddington.

## LATEST NEWS BULLETINS

### Seek Cause of Destroyer Explosion

PEARL HARBOR.—U. S. Navy authorities today sought the cause of an explosion that killed one man and injured 12 others aboard the destroyer Hollister. The explosion occurred in a gun mount aboard the vessel during gunnery exercises off Pearl Harbor yesterday.

### Authorized to Acquire More Land for "Crossing" Park

HARRISBURG.—The Department of Forests and Waters was authorized by new law to acquire additional land for the Washington Crossing Park. The measure was sponsored by Sen. Edward B. Watson (R) Bucks and signed last night by Gov. James H. Duff. It provides for the payment of the land acquisition from funds appropriated to the department. The act is designed to permit expansion of the park from 500 to 1000 acres. The Governor also signed into law a bill permitting the State Department of Property and Supplies to sell the former Pennsylvania Maritime Academy in Bucks County. The bill, introduced by Rep. Wilson R. Yeakey (R) Bucks, stemmed from the Department's order closing what was Pennsylvania's school for Merchant Marine officers.

### 30,000 Homeless in Manila Fires

MANILA.—At least three persons lay dead and an estimated 30,000 were homeless today in the wake of two huge fires that broke out in the central Philippine city of Cebu within two days. Damage was calculated at more than four million dollars.

## GOOD FRIDAY

On Good Friday the true be-  
lievers and the well instructed will  
mourn not only for the crucifixion  
of Jesus as a reality but for their  
own sins which persuaded Him to  
submit to death for them.

And so on Good Friday the  
people are admonished to prepare  
themselves for proper observance  
of the true significance of Christ's  
death. They may read the tenth  
chapter of St. Paul's epistle to the  
Hebrews and the nineteenth chap-  
ter of the gospel according to St.  
John. They will lay aside their  
work at the appointed hour, or at  
such hour as duty vouchsafes a  
time for proper meditation, and  
they will search within themselves  
for what remains in people today  
that was in them when the disci-  
ples slept and the temple was rent  
and the earth quaked.

Seeking the spiritual strength  
which accrues to the faithful in  
the proper observance of Good  
Friday has latterly become much  
more widespread and has been  
the subject of official proclamation  
and general encouragement. This  
attests the yearning of the peo-  
ple for peace and the tranquility  
that comes of faith and strength,  
and in these days of uncertainty  
it illuminates man's eternal hope  
for peace.

## STOP THIS WASTE

In the spending of \$15,000,000  
a year—the present bud-  
get for military purposes—some  
waste is inevitable and Americans  
long ago became reconciled to it.  
But they will not and should not  
tolerate the kind of extravagance,  
expense padding, and generally  
loose business practices revealed  
in the latest report of the Hoover  
Commission.

When 10 per cent of the money  
allocated for defense goes down  
the drain—that is Mr. Hoover's  
estimate—there is need not only  
for a complete overhauling of the  
whole military establishment but  
for the closest scrutiny by Con-  
gress of every request for appro-  
priations for the Army, Navy and  
Air Force.

If the same ends now reached  
can be achieved for \$1,500,000,000  
less, definite and immediate steps  
should be taken to effect the  
saving.

The Hoover report shows  
graphically how the taxpayers  
have been taken for a ride. The  
Air Force construction program  
includes the building of 910 fam-  
ily houses in Alaska at a cost of  
\$58,350 a house and 828 homes  
on the island of Guam at \$48,000  
a house.

The Army asked for funds —  
at \$100,000 each—to modernize  
102 more tanks than it actually  
possessed. The military budget  
provided more than \$1,000,000,  
000 for research and development,  
despite the fact that "more funds  
are currently available than can  
be spent properly."

Presenting these details and  
others like them, Mr. Hoover was  
charitable enough to say that "no  
one man is to blame." But the  
responsibility lies somewhere, and  
if Congress is unwilling to inves-  
tigate the past it ought at least  
to make sure that this sort of  
business is prevented in the future.

## Hold An Investiture For A New Cub Pack

Continued from Page One

Stanley Dick presented the den mothers and assistants with their pins and registration cards. The following cubs were presented Wolf badges through their parents: Den I, "Eddie" DeKoye, "Billy" Kuhn and Robert White; Den II, George Hoefle and "Kenny" Worthington; Den III, "Kenny" Young, Donald Irons, Richard Hook, and "Jimmy" Lake.

The Cub Master presented to Robert White, graduating into Scouting, with his Webelos badge and Scouting handbook. Mrs. William Kuhn presented "Bobby" with a farewell gift of a Scouting ax from

boys in Den No. 1. After the group disbanded the ceremony was turned over to Carl Foell, and "Bobby" was escorted by the senior patrol leader down the candlelight trail into Scouting. On stage at that time were the Scout committeemen, Samuel Heilings, Walter Fagans, Albert Smyrl, John Killian, John Baker and Robert Swangler. "Bobby" received his tenderfoot badge and his acceptance into troop No. 39.

Stanley Dick appointed a committee of three, inclusive of Charles Folk, Charles Rainer and James Harris, Jr., to act as judges of the dens to select the outstanding exhibit from among the hobbies, collections and handicrafts which were exhibited. Den No. 2 received the award for outstanding achievements for the month.

"Hot dogs" and soda were served by the den mothers.

Painting Contracts  
Awarded for Schools

Continued from Page One

The board, which last month had been given copies of the essay report of the visiting committee on school evaluation, discussed the report Wednesday evening. It was translated into what would be called or in way of costs, etc., if the recommendations are implemented.

Health reports were received. The school dentist has completed his examinations of the pupils in odd-numbered grades; and the doctor is nearing completion of his work. The board considered a number of pupil problems.

Fourteen new intermediate grade desks have been purchased to care for the swelling enrollment. There was also presented a report on the rip of the seniors to Washington, D. C.

Directors took time to review a questionnaire which will be used as an opinion poll for parents of pupils. These will be sent to the homes with the pupils during the next few weeks, then returned to the schools. In each questionnaire appear about 30 questions regarding feeling and reaction to the schools.

A Summary of The News

program. Senate debate on the low-cost housing bill was marked by Democratic charges that a Republican anti-segregation amendment was designed to kill the measure.

A labor bill backed by the Republican-Southern Democratic coalition in the House would repeal the Taft-Hartley Law, retaining the major provisions and "softening" some. The House got a bill to create a Columbia Valley Authority.

After having passed a bill providing \$7,576,886.181 for 28 Federal agencies, the House recessed until April 25; the Senate recessed only until Monday.

Senate Republicans, denouncing President Truman's fiscal policies, predicted \$5,000,000,000 in new taxes to avert deficit financing.

The Pennsylvania Railroad asked a 20% rise in commutation fares in the New York-Trenton Division, effective May 15th.

Farmer Has 40 Tons of Carrots; Can't Sell Them

A young farmer in the Carversville section of Bucks County has 40 tons of carrots which he can't sell. He sold 60 bushels of washed carrots last week in Philadelphia, and received \$118. A year ago carrots were selling \$110 a ton.

Henry Holobeny, whose farm is located on the Carversville Road, near Durham road, says the carrots are about seven or eight inches long, in excellent state of preservation, do not have tops.

They were placed in a pit to preserve them for the winter. They have been covered with straw and about 18 inches of ground on the north side and just about enough earth over them on the south side to keep them from freezing. They are in a pit in a six acre field.

Making a canvass of all the possible markets, including canning shops, where they use them for baby food, canned soups and other odds, Holobeny has been unable to market them. He even contacted a dehydrating plant in Philadelphia, but can't sell them.

Asserting that he has already lost \$2,000, the young farmer said:

"Unless I can sell them or give them away I will have to dynamite them out of the ground."

Declaring that he expects to keep them only about two or three weeks longer because he needs the field, Holobeny explained he raises other "vegetable and produce crops and hopes he will have better luck."

"I hope I don't run into another year on the market like I did with my carrots," he said grimly.

Carrots offered for sale in the markets are mostly from California.

Painting by Edward Burtynsky

"And it was about the sixth hour, and there was a darkness over all the earth until the ninth hour."

"And the sun was darkened, and the veil of the temple was rent in the midst."

"And when Jesus had cried with a loud voice, he said, Father, into thy hands I commend my spirit; and having said thus, he gave up the ghost."—St. Luke 23:44-46

Congregation Donates 609 Eggs To Phila. Mission

MORRISVILLE, Apr. 15—A total of 609 eggs has been sent to Fifth Street Methodist Mission, Philadelphia, by Grace Methodist Church. The eggs are for distribution to the poor in the slum areas of Philadelphia.

This is a yearly custom at the local church. The eggs were taken by members of the congregation to church services last Sunday.

Provides Members With Baskets for Egg Hunt

NEWPORTVILLE, Apr. 15—The Cheerful Workers of Newportville Community Church—Presbyterian, held a meeting in the church basement, Wednesday evening. Prayer was by Mrs. Clifford Ingraham. After business, all sat down to a covered dish supper, the table being decorated in pastel colors with a silver tree decorated with Easter eggs forming the centerpiece. Later, Mrs. R. Perente, of the entertain-

ment committee, provided each one with a small basket and all joined in an egg hunt, with prizes given to Mrs. A. Romig, and Mrs. Ella Munchback.

All participated in decorating hard-boiled eggs, prizes being given for the best to Mrs. Charles Everett and Mrs. H. Brownback.

The next meeting will be April 27th in the church.

Hudson Motor Co.  
Cuts Prices on Cars

DETROIT, Apr. 15—The Hudson Motor Car Co. today became the sixth automotive concern to cut its prices in the last two months. Reductions of \$15 to \$100 on various Hudson models go into effect at midnight tonight.

General Motors, Ford, Kaiser-Frazer, Nash and Willys-Overland were the other concerns to slash their prices in recent weeks.

A. E. Barit, president and general manager of Hudson, said in announcing the price cuts:

"Our price reductions are prompted by a desire to help maintain sound business conditions and at the same time to pass along to the public slight savings in certain material costs."

## General Rules Are Given For Zoning Law

Continued from Page One

of land ceases for any reasonable length of time for any reason, subsequent use of such building or land shall be in conformity with the provisions of this Ordinance.

**Section 802. Nonconforming Lots.** A building may be erected or altered on any lot held at the effective date of this Ordinance in single and separate ownership which is not of the required minimum area or width or is of such unusual dimensions that the owner would have difficulty in providing the required open spaces for the district in which such lot is situated, provided a special exception is authorized.

**Section 803. Reduction of Lot.** No lot area shall be so reduced that the area of the lot, or the dimensions of the open spaces, shall be smaller than herein prescribed.

**Section 804. Vision Obstruction.** On any corner lot, no wall, fence or other structure shall be erected or altered, and no hedge, tree, shrub, or other growth shall be maintained, which may cause danger to traffic on a street or public road by obscuring the view.

**Section 805. Private Garage; Accessory Buildings.** A private garage or other accessory building which is not a structural part of a main building may be erected in the rear and/or side yards, provided that (a) such building is not more than one story in height; (b) such building is separated entirely from the main building and is located at least ten (10) feet farther back from the front street line than the rear-most wall of the main building; (c) such building is situated not less than three (3) feet from any property line, except that a common or joint garage may be erected on adjoining lots; and (d) that the building area requirements for the district are maintained.

**Section 806. Prohibited Uses.** No lot may be used as a trailer camp, or tourist cabin or automobile court. No building may be erected, altered, or used, and no lot or premises may be used, for any trade, industry, or business that is noxious or offensive by reason of odor, dust, smoke, gas, vibration, illumination or noise, or that constitutes a public hazard whether by fire, explosion or otherwise.

**Section 807. Front Yard Exception.** The front yard of a proposed building may be decreased in depth to the average alignment of existing buildings within one hundred (100) feet on each side of the proposed building, and within the same block, if such alignment of existing buildings is less than the front yard requirement for the district.

**Section 808. Conversion of Dwellings.** The Board of Adjustment may authorize as a special exception after public hearing the conversion of any existing building into a dwelling for more than the number of families permitted in R-1 and R-2 districts, provided that the lot area shall not be reduced thereby to less than two thousand (2,000) square feet per family in R-1 Residence Districts, one thousand (1,000) square feet per family in R-2 Residence Districts, and seven hundred and fifty (750) square feet per family in R-3 Residence, Commercial, and Industrial Districts, and further provided that the yard and building area requirements for the district shall not be reduced thereby.

If such exception is authorized the Board of Adjustment may prescribe such further conditions with respect to the conversion and use of such building as it deems appropriate.

**Section 809. Parking Space.** 1. Not less than one (1) off-street parking space, with proper access from a street or alley, shall be provided on any lot on which a dwelling is hereafter erected or converted, provided that, for multiple dwellings, not less than one (1) off-street parking space shall be provided for each housekeeping unit.

2. Off-street parking space, with proper access from a street or alley shall be provided in the amounts indicated, on or near any lot on which the following types of uses are hereafter situated, provided that such requirements may be decreased or waived when authorized as a special exception:

(a) Tourist house: One space for

each two (2) guest bedrooms.  
(b) Hotel: One space for each four (4) guest bedrooms.  
(c) Restaurant, cafe, or tearoom: One space for each fifty (50) square feet of floor space devoted to patron use.

(d) Theater, auditorium, stadium, or other place of public assemblage, except churches: One (1) space for every fifteen (15) seats.

(e) Banks, professional or business offices: One (1) space for each four hundred (400) square feet.

(f) Commercial building or recreational building, other than those specified in a, b, c, d, and e, above: (1) Having a floor area of not more than one thousand (1,000) square feet—no parking space required;

(2) Having a floor area of more than one thousand (1,000), but not more than two thousand (2,000) square feet—one (1) space for each two hundred and fifty (250) square feet, or portion thereof, in excess of one thousand (1,000) square feet;

(3) Having a floor area of more than two thousand (2,000) square feet—four (4) spaces plus one (1) space for each one hundred fifty (150) square feet, or portion thereof.

in excess of two thousand (2,000) square feet.  
(g) Industrial establishment: One space for each five (5) employees.  
3. Off-street parking facilities existing at the effective date of this Ordinance shall not subsequently be reduced to an amount less than required under this Ordinance for a similar new building or new use. Off-street parking facilities provided to comply with the provisions of this Ordinance shall not subsequently be reduced below the requirements of this Ordinance.

**Section 810. Loading and Unloading Space.** Off-street loading and unloading space, with proper access from a street or alley, shall be provided on any lot on which a building for trade, business, or industry is hereafter erected or substantially altered.

## HULMEVILLE

Boys of grade two, Hulmeville public school, were invited by Gordon Larson, Lincoln avenue, to attend his 8th birthday anniversary party last evening. The circus provided the theme for the table decorations, favors and refreshments. A pink cake was topped with circus animals. With this was served pink lemonade and ice cream; and the favors were balloons. Prizes for

games were given to Kenneth Bor-man and David Linforth. Others attending: Roger Bratby, Harold Ermer, Roger and John Larson.

A visit was paid to relatives here this week by Harry J. Canon, of Norwood.

The director of education, Pennsylvania S. P. C. A., spoke to pupils in Hulmeville-Middletown public school on Wednesday, his subject being "Kindness to Animals." Two

motion pictures were shown, "Kru-ker National Park" (in Union of South Africa), and "The Hare and the Tortoise."

## Sportsmen's Briefs

By JOE ELBERSON

No report yet... as this is being written the 1949 Pennsylvania trout season is still hours away. And when it is being read the writer will be miles away... on the Little Bushkill Creek in Pike County... provided we don't run into our usual blessing of rain and high waters.

Whether the first day toll of trout will be light or heavy is still conjecture. This much is certain, however: the Fish Commission has stocked thousands and thousands of legal-sized fish, and there will be thousands and thousands of anglers trying to catch them today.

New world's record... official confirmation of a new world's record for an Alaskan Brown Bear has been given to Bob Reeve of Anchorage, Alaska, for a giant Brownie he killed on May 26, 1948, near Cold Bay.

Weighing 1,800 pounds, with a pelt 12 feet 4 inches in width and 10 feet 4 inches in length, the Brownie was killed with a Model 95 Winchester lever action in 405 caliber. Reeve took two shots at approximately 270

yards with 300-grain soft point bullet to bring down his record breaker. Reeve's first shot broke the animal's left hip and his second penetrated both shoulders and killed the bear instantly.

However, the measurements which qualified the Brownie for the world's record were those of the skull which measured 19 and 1/2 inches in length and 11 and 11/16 inches in width while green. Dry, the skull was 19-3/16 inches by 11 1/2 inches. The skull of the record brown was 1/16 inch longer than that of the previous record holder.

Reeve's record Brownie had an estimated height at shoulder, walking of 5 feet 4 inches and standing on hind legs over 12 feet. Since the bear was taken when he was thin and fresh from hibernation, Reeve's estimate is that the bear might have tipped the scale at 2,200 instead of 1,800 pounds had he been taken at the end of the salmon season.

Reeve received his world's record award in the annual North American Big Game Competition for 1948 from the Boone and Crockett Club, official tabulators of North American Big Game records.

Bob Reeve is a veteran bush pilot whose Reeve Aleutian Airways of Anchorage is now in its seventeenth year. With two partners he also owns the Kennedy Hardware Company of Anchorage which is an outfitting and adviser to Alaskan big game hunters. Reeve's Model 95 was purchased from the Kennedy Company in 1945. Bearing the early serial number of 65,395, the rifle was originally shipped on July 14, 1939, from the Winchester factory to the

Schwabacher Hardware Company of Seattle, Washington.

The 405 Winchester cartridge used by Reeve in taking his huge Brown bear has a 300-grain soft point bullet. It has a muzzle velocity of 2300 feet per second, and at the 270 yards at which Reeve made his kill, the velocity is approximately 1,500 feet per second and the energy about 1,500 foot pounds.

Club notes... the Morrisville Fish & Game Protective Ass'n. will conduct a fishing contest for the 1949 fishing season. Trophies have been donated by George Case, well known Trenton sportsman and will be contested for in the following class.

(1) The largest trout caught in the open waters of Pennsylvania.  
(2) The largest bass caught in

the open water of Pennsylvania.

(3) The largest edible game fish caught on the New Jersey Coast.

Certified members of the Morrisville Fish & Game Ass'n. are eligible to participate in this contest and it will be necessary to present a sworn statement showing the weight, girth and length of the fish so caught. Contestants may have their catch weighed and measured by contacting John Meszaros, 66 N. Penna. Ave. and Louis Ferraro, 59 N. Penna. Ave.

The committee in charge of this contest are Paul Taylor, chairman, Alan Woolf and Robert Morris.
